COURTROOM PROCEEDINGS

7/11/06 Sentencing

4:50 p.m. - Court reconvenes.
Court is called back to order after oral pronouncing of sentencing this morning. Shortly before 3:00 p.m. today the Court was notified that the dft. tested positive for cocaine. The Court will VACATE the oral imposition of sentencing that was pronounced today and tear up the written order that was not entered yet on this date. Defense counsel ask the Court to not go forward with sentencing today since the Court will not be going along with the 11(c)(1)c plea agreement. The Court will not follow the terms of the plea agreement at this time and the dft. has the right to withdraw his guilty plea or go forth with a trial at this time. The dft. will continue with plea negotiations at this time and will be set on the next

criminal term if necessary. A waiver of speedy trial will be filed this week with the Court.

The Court will keep dft. under the same conditions of release of the Magistrate Judge with a modification of no use of alcohol.

The Court will withdraw the referral of this case to the Magistrate Judge and will handle everything in this case from here on out.

5:05 p.m. -

Court is in recess.
